Office for Renewable Energy Deployment

The world's best offshore opportunity

Lunchtime Seminar:
Wednesday 16 September 2009,
Stockholm, 12.15-14.00, Room K23

Target audience

The target audience for this event is for those companies and organisations interested in hearing more information about:

- the business opportunities that are coming out of the UK's expansion
- an overview of the UK market, supply chain capabilities and growth prospects
- UK Government actions to deliver this growth and overcome challenges such as grid connections, planning, supply chain, project economics and aviation/radar issues

The event is being organised by the UK Department of Energy & Climate Change (DECC) and is of interest to those looking to create partnerships with the UK, or considering the UK as a place to invest. There are also multiple opportunities to meet with UK Government representatives, UK trade associations and individual UK regions that form part of the UK offering.

Registration information

Please note that you must be registered as a European Offshore Wind 2009 conference delegate, exhibition visitor or exhibitor to gain access to this side event.
